at 0400 on Wednesday 15 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy, mild and largely dry.

Today:
Staying cloudy through Wednesday with occasional bright spells in the afternoon, mainly in the east. Mostly dry but the odd spot of drizzle is possible. Feeling mild again. Maximum temperature 12 deg C (54 deg F).

Tonight:
Daytime clear intervals filling in to leave a cloudy night with murky conditions over the high ground. Largely dry but patchy drizzle is possible at times. Staying mild. Minimum temperature 7 deg C (45 deg F).

Thursday:
Another largely cloudy day but brighter breaks possibly developing to the west of Dartmoor and Exmoor in the afternoon. Predominantly dry but feeling a touch less mild than of late. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Largely settled into the weekend, but on the cloudy side with limited bright spells in the afternoon. Risk of morning fog under overnight cloud breaks. Feeling slightly cooler.
